# Rocky Mountaineer Train Routes

*Our two-day, all-daylight Rocky Mountaineer train journeys offer you three different routes that showcase the diverse beauty of Canada's West.*

## ↔ Vancouver to Banff / Calgary

ROCKY MOUNTAINEER  
KICKING HORSE ROUTE

### **DAY 1** Vancouver to Kamloops

At Rocky Mountaineer Vancouver Station, board the world-renowned Rocky Mountaineer train. Pass through the fertile fields of the Fraser Valley and view the towering peaks of the Coast Mountains before entering the Fraser Canyon. See the thundering waters of Hell's Gate and follow the Thompson River to historic Kamloops, gateway to the Interior of British Columbia. Stay overnight in moderate accommodations in Kamloops.

### **DAY 2** Kamloops to Banff or Calgary

Continue east through the vast ranchlands along the South Thompson River, pass Craigellachie, where the "Last Spike" of the Canadian Pacific Railway was driven, and enter Rogers Pass, with its tunnels, snowsheds and glistening glaciers. Climb through the Spiral Tunnels and over the Continental Divide to Banff National Park. End your rail journey in Banff or continue on to the "Stampede City" of Calgary.

## ↔ Vancouver to Jasper

ROCKY MOUNTAINEER  
YELLOWHEAD ROUTE

### **DAY 1** Vancouver to Kamloops

At Rocky Mountaineer Vancouver Station, board the world-renowned Rocky Mountaineer train. Pass through the fertile fields of the Fraser Valley and view the towering peaks of the Coast Mountains before entering the Fraser Canyon. See the thundering waters of Hell's Gate and follow the Thompson River to historic Kamloops, gateway to the Interior of British Columbia. Stay overnight in moderate accommodations in Kamloops.

### **DAY 2** Kamloops to Jasper

Rejoin the Rocky Mountaineer and follow the Thompson River through rolling plateaus into the snowy peaks of the Monashee Mountains. View Pyramid Falls and the expansive glaciers of the Alberta Icefields before passing by Mount Robson, which at 3,954 metres (12,972 feet) is the highest peak in the Canadian Rockies. In late afternoon, arrive in Jasper, located in the largest mountain park in Canada.

## ↔ Whistler to Jasper

ROCKY MOUNTAINEER  
FRASER DISCOVERY ROUTE

### **DAY 1** Whistler to Quesnel

Board the world-famous Rocky Mountaineer train for a two-day journey on this exciting route. Enjoy breathtaking and varied scenery, including the winding lakeshores of Anderson and Seton Lakes, the desert-like conditions of the Fraser Canyon and the vast ranchlands of the Cariboo Plateau. Your day concludes as the Rocky Mountaineer follows the banks of the Fraser River into Quesnel. Stay overnight in moderate accommodations in Quesnel.

### **DAY 2** Quesnel to Jasper

Continue eastward through the forests of northern British Columbia, home to plentiful wildlife, including a large population of moose. Enter the Rocky Mountain Trench, where the Rocky Mountains rise steeply to the north and the Cariboo Mountains soar to the south. Pass Mount Robson, the highest peak in the Canadian Rockies at 3,954 metres (12,972 feet), before arriving in Jasper in the early evening.

## Glacier Bay Inside Passage Itinerary Highlights

### INSIDE PASSAGE, BRITISH COLUMBIA

Stretching between Vancouver, British Columbia and Juneau, Alaska, the Inside Passage is an intercoastal waterway consisting of thousands of islands, coves and bays, and is renowned for wildlife including eagles, porpoises and killer whales.

### JUNEAU, ALASKA

Surrounded by dark-blue waters, deep-green forests and majestic mountains, Juneau is one of America's most beautiful state capitals. Explore Juneau's gold mining past, fly over Mendenhall Glacier or spend a pleasant day exploring curio shops and art galleries.

### SKAGWAY, ALASKA

In 1896 gold was discovered in the Klondike and Skagway instantly became a boom town. Today, Skagway has preserved more than 100 buildings from the gold rush era and serves as a fascinating link to Alaska's history.

### GLACIER BAY, ALASKA

How does it feel when a monumental chunk of ice splits off a glacier and crashes into the sea? The sound is like thunder, and the impact shoots water hundreds of feet into the air. You hold your breath as you catch the moment on film. And then it happens again...

Marvel at nature's unrelenting power in Glacier Bay National Park, with more actively calving tidewater glaciers than anywhere else on earth.

### KETCHIKAN, ALASKA

Founded as a fishing camp, Ketchikan still looks and feels like a 19th-century frontier town, much of which is built over the water and supported by piles.

# Terms and Conditions

## 1. General Terms and Conditions

Please read the following information carefully, as the terms and conditions described herein constitute the agreement between you and the who provide the service. If you decide to travel with Rocky Mountaineer Vacations and make payment on a tour, you thereby agree to accept the terms and conditions of this contract.

## 2. Brochure Prices

All prices herein are quoted in Canadian or U.S. dollars. Prices and information in this brochure are for the 2008 season and are subject to change without notice.

## 3. Canadian Goods and Services Tax (GST)

All prices are subject to GST, which will be charged upon confirmation of booking. Currently the rate is 6% for Canadian GST. Guests who are not residents of Canada are eligible for a rebate of the GST paid on short-term accommodation. If they are purchasing their rail tour from outside Canada, Rocky Mountaineer Vacations may claim the rebate on their behalf. The result is a 50% reduction in the tax rate, and 3% is then used to calculate the GST to be charged. When non-resident guests purchase their rail tour while in Canada, Rocky Mountaineer Vacations charges GST at the full 6% rate, and any GST rebate to which a visitor to Canada may be entitled must be claimed from the Canada Customs and Revenue Agency by the guest. This short-term accommodation rebate is subject to change without notice.

## 4. Rail-Only and Package Tour Inclusions

The following costs are not included unless otherwise specified: GST, gratuities, alcoholic beverages, meals, room service or other hotel incidentals, items of a personal nature and all other items not specified in the description of the applicable tour contained in this brochure. If one of our packages does not meet with your requirements, we will be pleased to customize your rail tour package. Ask your Vacation Consultant for details. Individual tour component pricing breakdowns are not available.

## 5. Self-Drive Option, Self-Drive Packages and Car Rental Policies

Minimum requirements for car rental: Driver must be 25 years of age with a valid driver's licence and major credit card. If the driver's licence is not in English, an International Driving Permit is strongly recommended. This is required for translation purposes to confirm the validity of the driver's licence for the safety of renters and for the car rental company.

A credit card deposit will be required at time of car rental pick-up to cover costs not included in the Rocky Mountaineer Vacations package. These costs are the responsibility of the renter and are payable when the vehicle is returned. A car rental day is based on a 24-hour period. For example, if you have a 3-day car rental and you pick up your car at 10 a.m. it must be returned at or before 10 a.m. 3 days later, otherwise you will be charged an extra day's car rental. Please provide approximate pick-up time and location at time of reservation. Confirmation of drop-off time will be provided when the car is picked up.

Rates do not include hotel parking charges, gasoline, Loss/Damage Waiver (LDW), Personal Accident Insurance (PAI), meals, attractions, passage by ferry, child seats, drop-off charges if the vehicle is not dropped off at the location specified in the itinerary, any applicable charges for additional drivers, upgrades to a higher car class, additional rental days, any other optional charge or service charges and GST on additional charges. Pick-up or drop-off at an airport may be subject to an additional charge by the car rental company.

## 6. Possible Alterations

Rocky Mountaineer Vacations reserves the right to cancel, modify or alter all or any part of its services when necessary or advisable. Should this occur, Rocky Mountaineer Vacations agrees to provide the best alternative available. Every effort will be made to adhere to the specifics shown herein; however, circumstances may necessitate alteration, including the occasional accommodation change from properties listed in this brochure. Hence, all fares, schedules, itineraries, hours of arrival and departure, air schedules and special programs are subject to change without notice at any time.

## 7. Suppliers' Liabilities

Rocky Mountaineer Vacations and Armstrong Group act as an agent for and make arrangements with airlines, hotels, bus lines and other independent parties to provide you with non-rail travel services and accommodations. Although great care is taken to choose suppliers, we are unable to directly control them, and therefore we are not responsible for their acts or omissions. The travel services provided by these suppliers are subject to the conditions imposed by the suppliers, and their liability may be limited by their tariffs, conditions of carriage and international conventions and agreements.

## 8. Company Liability

Rocky Mountaineer Vacations and Armstrong Group and their respective officers, directors, servants and agents are not responsible for any claim, loss, damage, cost liability or expense arising, direct or indirect, out of injury, accident or death; loss, damage or delay of luggage or other property; or delay, inconvenience, loss of enjoyment, upset, disappointment, distress or frustration, whether physical, mental or otherwise, relating to the provision of rail tour operations, travel services and accommodations.

## 9. Force Majeure

Rocky Mountaineer Vacations and Armstrong Group will not be responsible for the performance of this agreement if prevented or delayed by acts of God, strikes, accidents, weather, traffic, airport conditions or other causes beyond their reasonable control from meeting its terms. Nor will they be responsible for any loss or damage relating to train cancellations or any other cancellations.

## 10. Passport/Visa/Health Regulations

**Passports:** If travelling from outside Canada (including from the U.S.A.) you will require a passport for entry into Canada and appropriate ID for all family members.

**Airlines and Cruise ships reserve the right to refuse boarding without adequate ID.**

**Visas:** Check with your travel agent.

Rocky Mountaineer Vacations is not responsible for guests refused entry into Canada because of inadequate documentation. For further information regarding documentation for entry into Canada, please contact Immigration Canada. Single parents or grandparents travelling with children must ensure proper documentation is obtained for entry into Canada.

**Health Regulations:** There are no vaccination requirements for international travellers into Canada.

## 11. Luggage

Rocky Mountaineer and Whistler Mountaineer: All luggage or articles are accepted and transported subject to Rocky Mountaineer Vacations' luggage policy and the conditions therein. Certain articles may be subject to a surcharge. Guests travelling onboard the Rocky Mountaineer and Whistler Mountaineer are limited to two suitcases per person (in addition to the carry-on overnight luggage required for the RedLeaf Service two-day rail tour portion of the Rocky Mountaineer). Total luggage weight per person is not to exceed 30 kg (66 lb.).

**Note: RedLeaf Service guests will need to pack a small overnight bag for their stay in Kamloops or Quesnel. Main luggage will be checked through to their final Rocky Mountaineer destination and will not be available in Kamloops or Quesnel. GoldLeaf Service guests' luggage will be delivered to their Kamloops or Quesnel accommodation. All guests should be sure to carry any medications with them onboard the train.**

**VIA Rail:** Please note that a maximum baggage weight of 22 kg (50 lb.) applies onboard VIA Rail.

**Other Tours:** Certain tour products featured in this brochure have baggage restrictions due to either accommodation style or transportation requirements. Please refer to your documentation for full details.

## 12. Reservation Policies

Charges will be calculated per person and based on the date the cancellation notice is first received. There will be no exceptions to any of the charges. Please note the cancellation policy schedule at right. Cancellation charges may be subject to GST.**
